Yes This may be done

With regard to these Scholarships, the practice has hitherto been for the Dept to call for applications before about the middle of April every year, by a Notice published about the middle of March This requires to be changed now because the time of the holding of the Degree Exams has been altered and also because the Scholarships are now made tenable both in the Madras and in the Poona Colleges The term in the former college begins in July, while in the latter it begins in January
